League InfoSight Launches CU PolicyPro and RecoveryPro Combined Platform *First step of a comprehensive redesign*

LANSING, MI (December 12, 2023) – League InfoSight has completed the first phase of its product combination which brings [CU PolicyPro](#) and [RecoveryPro](#) together on a single, integrated platform. This is the first step in a larger initiative to bring [InfoSight](#), CU PolicyPro, and RecoveryPro under a single sign-on for a seamless user experience!

More than 3,400 credit unions are registered for CU PolicyPro nationally, demonstrating the value of the 230+ model policies and procedures created specifically for credit unions. The content is coupled with a comprehensive policy management system that allows users to edit, publish and assign tasks.

League InfoSight's fastest growing product, RecoveryPro, provides credit unions with model content to create, edit, and maintain a comprehensive business continuity plan. With the combined technology, users are able to benefit from the familiarity and robust technology utilized by CU PolicyPro. Pricing for RecoveryPro is based on asset size and is deeply discounted for member credit unions, with a starting price of \$249 annually for the smallest asset size credit union.

"League InfoSight, League/Association owners, and partners are so excited to inch closer to our big dream of combining all of our amazing products into one system! This will allow us to start exploring progressive uses of artificial intelligence to further save our users time and provide the most comprehensive and cost-effective compliance support and resources," added Glory LeDu, CEO of [League InfoSight](#) and [CU Risk Intelligence](#).

Many credit unions have access to CU PolicyPro as a member benefit through their League/Association. To learn more, visit your League/Association website or visit the [League InfoSight Website](#).

About League InfoSight

League InfoSight was created in 2003, the result of a multi-League effort to work collaboratively to provide the best possible compliance resources for member credit unions. The collaborative model is at the heart of League InfoSight and allows the expertise of League/Association partners and stakeholders to be leveraged to develop compliance best practices, evolve technology solutions, and focus on content strength.

League InfoSight was created in January 2003 by the following Credit Union League/Associations: Florida (now includes Alabama and Georgia as the League of Southeastern Credit Unions), Georgia (now part of the League of Southeastern Credit Unions), Michigan, Ohio and Texas (now includes Arkansas, Oklahoma, Kansas and Missouri as the Cornerstone Credit Union League). Since then, the California (and Nevada), Cooperative, Illinois, Iowa, New Jersey (now includes Pennsylvania as CrossState Credit Union Association), New York, Pennsylvania (now includes New Jersey as CrossState Credit Union Association), MD/DC, GoWest (Arizona, Colorado, Idaho, Oregon, Washington and Wyoming) and Maine Leagues/Associations have taken ownership positions in League InfoSight.
